Property Transfers.

The following deeds have been recorded in the clerk's office of the Chancer Court of Richmond: Edgar Allan, special commissioner, to W. S. Eubank, specia

The authorship of the dramatic productions attributed to the last of the above named is

affects the practical masses far less than the momentous question how to regain or preserve health—that essential of bodily and mental activity, business success, and the "pursuit of happiness." We can throw far more light on this latter subject than the most profound Shakspearien can on the question first propounded. If the system is depleted—the nerves shaky; if indigestion or constitution bothers one at times or constantly; if the skin is yellow and tongue furred as in billousness; if there are presumentary twinges of oncouning rhemastism or neuralize; if the kidneys are inactive—use flostetter's stomach Bilters, the finest recuperant of an age profile; in benedicial and successful remedies. Hemember, if majoria threatons or afflicts, that is neutralizes the poisson and fortifies the system.
